MEMORANDUM

TO: All Certified Local Governments (CLGs) in North Carolina
FROM: Ramona Bartos, Deputy State Historic Preservation Officer
SUBJECT: 2018 Historic Preservation Fund Pass-Through Grants

The State Historic Preservation Office (HPO) is now accepting applications for FY 2018 federal Historic Preservation Fund (HPF) pass-through grants, which are available to Certified Local Governments (CLGs). Eligible projects include architectural and archaeological surveys, nominations of eligible districts and properties to the National Register of Historic Places, survey publication manuscripts, local preservation design guidelines and preservation plans, educational programs, and restoration of National Register-listed properties. Funds for restoration are limited and not available to privately-owned buildings. Eligible applicants are local governments and local historic preservation commissions as well as nonprofit organizations and educational institutions within the jurisdiction of a CLG.

Please note that before preparing and submitting an application, applicants *must* contact HPO staff to discuss the scope of work and budget of their potential project along with the grant standards and requirements. HPO staff contacts are listed in the attached instructions.

An estimated total of \$90,000 to \$95,000 statewide may be available for projects in CLG municipalities and counties, in accordance with federal requirements. A list of CLGs is attached. Unfortunately, funds for non-CLG projects are not available.

Grant awards, which normally cover up to sixty per cent of total project costs, generally range from \$1,000 to \$15,000 and are available on a reimbursement basis. *Local matching funds should try to cover at least forty per cent (40%) of the total project costs.* Grant projects will be selected for funding on a competitive basis.

Applications must be postmarked or emailed to the grants coordinator by Friday, March 30, 2018. Nonprofits and educational institutions submitting an application through a CLG should submit their proposed application to the CLG before the end of January of 2018. See the *Instructions for Completing the 2018 Application* for more details.

Awards should be announced by May 2018. Projects should be underway by the fall of 2018. All projects should be completed by Friday, August 23, 2019.

GUIDELINES FOR CLG GRANT APPLICATIONS

- CLG grant applications must be submitted by or through the CLG.
- CLG governing boards and CLG historic preservation commissions submit their applications to the HPO.
- **NOTE:** Nonprofits and educational institutions may propose an application for a project in a CLG's jurisdiction, but must submit the proposed application to the CLG historic preservation commission, which would then submit it to the HPO with comments. The CLG commission, not the nonprofit or educational institution, would be the CLG grant applicant. The nonprofit or educational institution should submit the proposed application to the CLG commission before the end of January of 2018, to allow time for the commission and local governing board to evaluate it and submit it with comments to the HPO by the **March 30, 2018**, deadline. If a grant is awarded for the project, the CLG would be the grant recipient and would administer the grant project, even if the nonprofit or educational institution provides the local matching funds. A list of local CLG staff contacts is on the HPO web site at <http://www.hpo.ncdcr.gov/NCCLGs.pdf>.

If there are questions about the application process, or there is a project idea you would like to discuss, please contact Michele McCabe, grants coordinator, at 919-807-6582. For assistance with developing a project proposal and budget, please contact an HPO staff member listed in the instructions.

We look forward to hearing from you and receiving your application.
